COLLEGE

PARTNERING FOR 20 YEARS

Celebrating 20 years of partnership

Celebrating a proud 150-year history of research and teaching excellence, the University of Adelaide is part of Australia's prestigious Group of Eight research intensive universities.

Our alumni include five Nobel Laureates and more than 100 Rhodes Scholars.

Today, ranked in the top-100 universities worldwide, the University of Adelaide is recognised globally for its research excellence and dedicated staff, many who are international leaders in their field.

Our world-class degrees are informed by cutting edge research and technology and a teaching and learning environment that encourages critical thinking, problem solving, teamwork and communication.

Focused on preparing students for their careers, the University also provides relevant industry placement and internship opportunities. Our Industry Engagement Priorities ensure degree programs are closely aligned with the needs of industry and through our broader research mission, we're committed to tackling the grand challenges of our time.

We welcome students from more than 100 countries and provide support for their successful transition to learning and living in South Australia.

A degree at the University allows for study at the forefront of discovery, with access to state-of-the-art research facilities, cross-disciplinary programs, and a connection to a globally integrated and culturally diverse community.

Our goal is to give our students the encouragement, support, and opportunity to make their own contributions to the world and its future.

Professor Peter Høj AC

Vice-Chancellor and President

The University of Adelaide

"

> **As the preferred pathway provider to the University of Adelaide we specialise in providing you with the first step towards your undergraduate or postgraduate studies at the university.**

The University of Adelaide College delivers world-class pathway programs to the University of Adelaide — consistently ranked in the top 1% of universities worldwide and one of Australia's prestigious Group of Eight research-intensive universities.

There is more than one way to become a University of Adelaide student. As the preferred pathway provider to the University of Adelaide we specialise in providing you with the first step towards your undergraduate or postgraduate studies at the University.

A university pathway better prepares you for your academic studies, improves your English and immerses you in your new cultural life in Australia. A university pathway with the University of Adelaide College can really empower you to follow your own path to success.

International students who choose to study at the College – at our Adelaide Campus or Melbourne Campus – are provided with a strong academic program presented by experienced and highly qualified teachers. Our students work in small classes so that we can provide individual attention, support and guidance.

Ensuring that our students feel welcome and immersed in our College community is one of our major priorities. There are a number of dedicated and caring professionals whose role it is to make sure that students feel at home at the College and are supported in their studies.

Every year hundreds of our students progress to the University of Adelaide to commence degrees and follow their dreams of studying architecture, engineering, business, IT, finance, medicine, dentistry, nursing, science and so much more! The preparation received at the College has been crucial to their successful transition to university study and life.

On behalf of all our staff I extend a personal invitation for you to join us here at the University of Adelaide College.

Derek Milligan
National Campus Director
The University of Adelaide College

Why choose to study at the University of Adelaide?

At the University of Adelaide, we unite and serve those striving to change the world—and themselves—for the better. This is a place where you can make history.

Established in 1874, we're home to around 24,000 equivalent-full-time students and 3,000 staff, all working to create progress. For everyone in our community. Ours is a university of outstanding quality—ranked 88th in the world—in the heart of the city of Adelaide.

Globally top-100 ranked University [†]

108 stars plus QS rating

Ranked top 50 globally in 8 subject areas [†]

Member of the Group of Eight [^]

Produced over 110 Rhodes Scholars

Relentlessly progressive

Adelaide has made a habit of breaking new ground. We were Australia's first university to welcome female students. The first to offer science and business degrees. One of the first with a conservatorium of music.

Among those who've studied, taught, or conducted research here are Australia's first female prime minister; space-walking astronaut; Indigenous Rhodes Scholar; and female Supreme Court judge, and state governor.

Exceptional research and education

As a member of Australia's prestigious Group of Eight research-intensive universities, we're rising to global challenges with research universally rated world-standard or above[^].

In fact, our output is recognised as 'well above' world standard in 41 distinct areas. These range from space sciences, materials engineering and AI, to cardiorespiratory medicine, crop production and environmental science.

As a teaching university, we're ranked among the top 100 globally in 27 subject areas[†]. In eight—including computer science, dentistry and civil engineering—we're top-50.

We also lead our state in graduate employability[*]. Our degrees combine deep discipline knowledge with broad, transferable skills, ensuring graduates are well prepared for multidimensional careers in the future workforce.

What is a pathway program?

A university pathway is a program that you can take before enrolling at university.

It is designed to give your grades a boost and to bridge the gap between your grades in your home country and those in Australia. A university pathway better prepares you for your academic studies, improves your English and immerses you in your new cultural life in Australia. Taking this first step can really empower you to follow your own path to success.

Since our inception, thousands of our College graduates have progressed to the University of Adelaide to study their chosen degree.

University-level education

Small class sizes

Range of scholarships

Personalised support

Language support services

Why study with us?

The University of Adelaide College delivers world-class pathway programs in the heart of Adelaide and Melbourne to the University of Adelaide. There are many reasons you can have confidence that studying with us is the right choice.

Guaranteed pathway to a prestigious Group of Eight University

As the preferred pathway provider to the University of Adelaide, upon successful completion of your program, you are guaranteed* entry to your packaged degree at the University with no further English language evidence required^.

University-level education from day one

Our programs contain the latest content from the courses at the University of Adelaide, so you get the benefits of a university-level education to prepare you for your studies.

Feel better prepared for university life

Our world-class teachers, small class sizes and supportive approach, guarantee individual attention and the highest quality of learning.

Genuine support

Our students thrive in the supportive environment we offer at the College. From academic matters to personal concerns, from the big stuff to the small stuff, we support our students with a range of services and resources.
You can be assured that our academic staff and Student Services team will go above and beyond for you.

Language assistance

We have students studying with us from all over the world. To make sure that everyone has the best chance to reach their potential, a range of different language support services are available to assist you with your studies across all subjects.

Global classrooms

Every year hundreds of students, from countries including China, Hong Kong, Malaysia, India, Vietnam, Indonesia, Singapore, Egypt, Oman, South Korea, Japan, Nigeria and more, progress to the University of Adelaide. The preparation received at the College has been crucial to their successful transition to university study.

> "This College prepared me very well for the University life. All the courses taught here gave me the fundamental skills that I needed in the University. I did the Foundation Studies for the Bachelor of Philosophy, Politics and Economics at the College and then studied the Bachelor of Marketing at the University of Adelaide. Now I am back at this College working as a Student Information Officer."

Your path to success

We know that while you're studying at the University of Adelaide College, your experience is shaped both inside the classroom and through your life outside.

We're here to support you and your student success every step of the way and encourage you to do the following:

- Attend orientation
- Bring your own device
- Stay safe with Sonder*, a 24/7 safety and wellbeing service for students free of charge
- Join the College and the University of Adelaide social clubs.

*For more information, visit sonder.io

Study Adelaide and Study Melbourne

If you're looking for an international student mentor, tickets to the hottest events, help with writing a resume, an opportunity to be an international student leader, or just for some fun, Study Adelaide and Study Melbourne are brilliant organisations driven by, and for, international students.

Student services

Our dedicated Student Services teams are here to support you across both our Adelaide and Melbourne campuses, and you can always email or call us. For students studying in Adelaide, we have our Student Services Hub and in Melbourne, our Student Services team, onsite. Our Student Services team can help you with:

- Academic and English assistance
- Learning support
- Personal counselling
- On-arrival services
- Accommodation
- Under 18 student welfare support

Ask us, we're here for you!

For more information on Student Services, watch the video or visit our website

college.adelaide.edu.au/student-life/student-services

The College's Student Advisory Service received a 100% satisfaction rating from students who responded to the International Student Barometer survey in 2021.

A place to call home

Accommodation plays an important part in creating a solid foundation for your academic success and personal growth.

Maybe you will want to try staying with an Australian family, for a full cultural experience. Or perhaps, you'd like to live in a shared house with friends. If you want some privacy and quiet, you might prefer your own studio apartment. We can help you find a home that suits your needs. Some of the options include:

- Homestay with a local family
- Scape at the University of Adelaide
- Yugo Adelaide City
- University Village
- Scape La Trobe, Melbourne.

Homestay is when a student lives with a local family and is a great way to experience the local Australian community and culture while developing your English skills.

Are you under the age of 18?

Our friendly staff look after all students at the College, but we do take particular care of students who are under the age of 18.

Before you arrive, we will help you to arrange suitable accommodation, either with a local homestay family, or an apartment at our approved under 18 provider, Scape or Yugo.

We'll pick you up at the airport and transfer you to your new home.

At the College, we will assign you your own personal welfare officer, who you will meet with every two weeks to make sure you're settling into your new life in Australia.

Your Pathway Programs to the University of Adelaide

Foundation Studies Programs

Designed in conjunction with the University of Adelaide specifically for international students, our Foundation Studies Programs provide you with a pathway to follow your dream of studying business, IT, engineering, medicine, nursing and much more at the University of Adelaide. If your grades need a boost, we are here to help!

Please visit our website
college.adelaide.edu.au/foundation-studies
for more information.

Our Foundation Studies Programs are suitable if you:

- Have completed the equivalent of Australian Year 11

- Missed out on direct entry to the University of Adelaide

- Want to study at the University of Adelaide.

Program benefits

- For students studying in Adelaide, once you achieve your required progression score, you are guaranteed entry to your packaged degree, and, for most bachelor's degrees, you won't need to provide any further English language evidence.

- For students studying in Melbourne, after completing your Foundation Studies Program, you will continue your pathway studies as a University of Adelaide College student undertaking a Degree Transfer Program.

- We will ensure that you understand all the additional entry requirements for dentistry, oral health, medicine, nursing, physiotherapy, occupational therapy, speech pathology and veterinary science.

- The University will issue you a packaged Confirmation of Enrolment for the entire duration of study at the College and the University.

- You will have the flexibility of studying a standard (34 teaching weeks) or accelerated (31 teaching weeks) Foundation Studies Program. In addition to weekly attendance in classes, students are also expected to complete 20-25 hours per week of independent learning.

Your future in health

1

NUMBER ONE
in South Australia for medicine,
nursing, psychology and dentistry

Student-centred learning. World-leading research and facilities. Global opportunities. Your path to a rewarding health career at the University of Adelaide starts at the University of Adelaide College. If you are considering this pathway, there are a few things you need to know.

Studying a degree in health can lead to an incredibly rewarding career that has a real impact on people's lives. You will develop clinical skills in tandem with your communication, interpersonal and problem-solving skills, that will set you apart from other graduates in the future.

At the University of Adelaide College, we are here to assist students in pursuing their dream of studying a health degree. You will be offered a packaged degree with either a Bachelor of Health and Medical Sciences or a Bachelor of Science (Biomedical Science) when you commence your Foundation Studies Program with us.

Once you are studying at the College, we are here to guide and coach you, to help you gain admission to your preferred health degree.

Unique College support to prepare you

We've created an exclusive range of services to help you gain admission to the health degree of your choice. This includes:

• Information session with guest speakers and alumni

• Online 'how to apply' tutoring session

• Assistance in applying for the University Critical Aptitude Test (UCAT ANZ)

• Several rounds of practice interviews with extensive feedback

• Links to industry and volunteering opportunities to strengthen your application

• Personal guidance during your transition to the University of Adelaide.
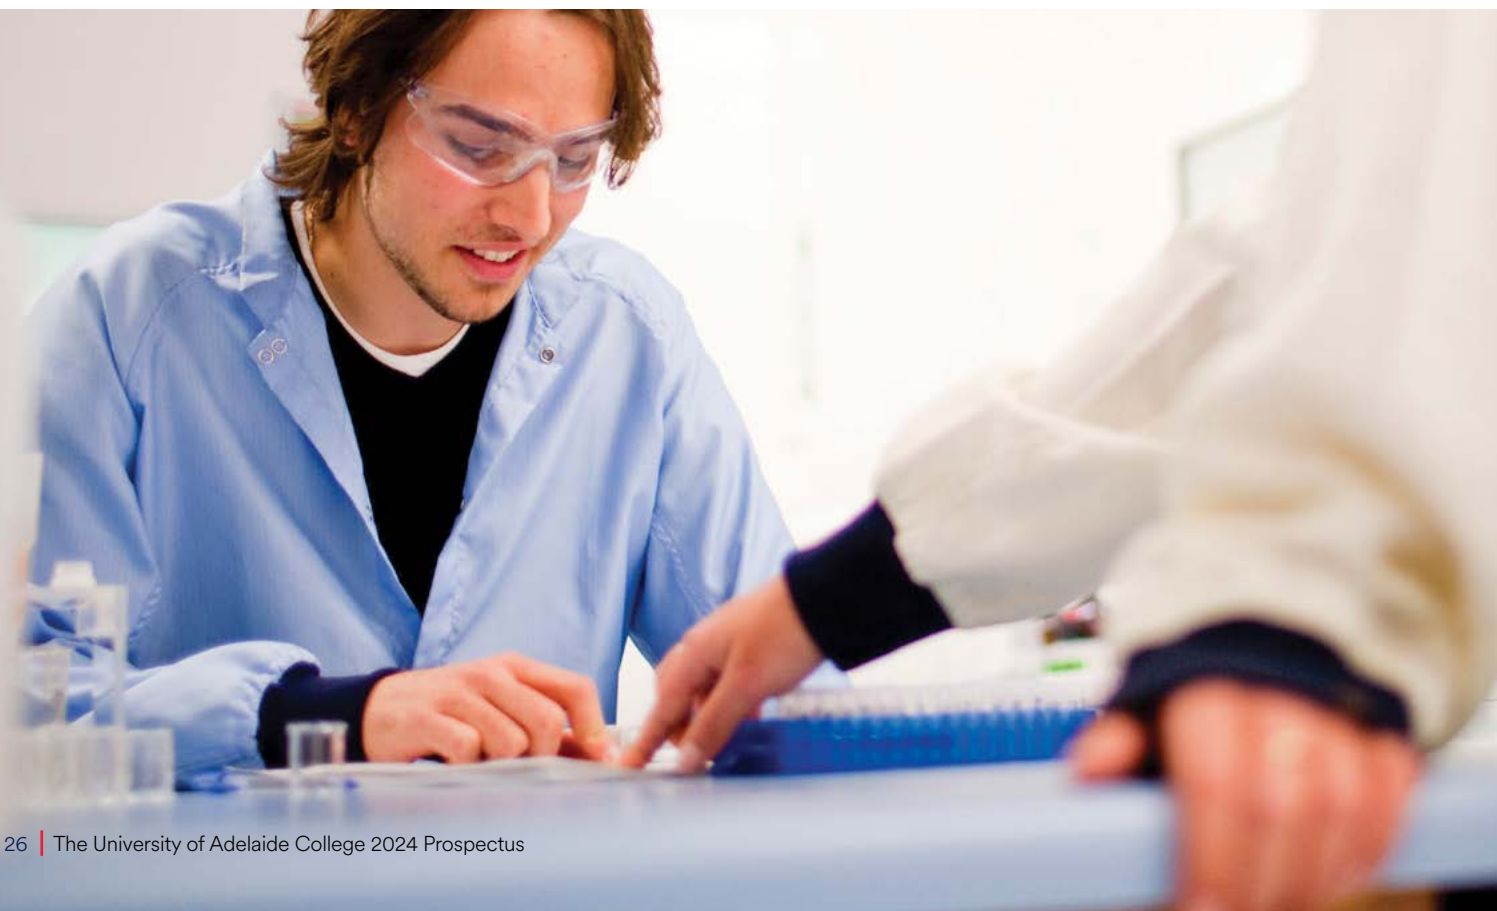

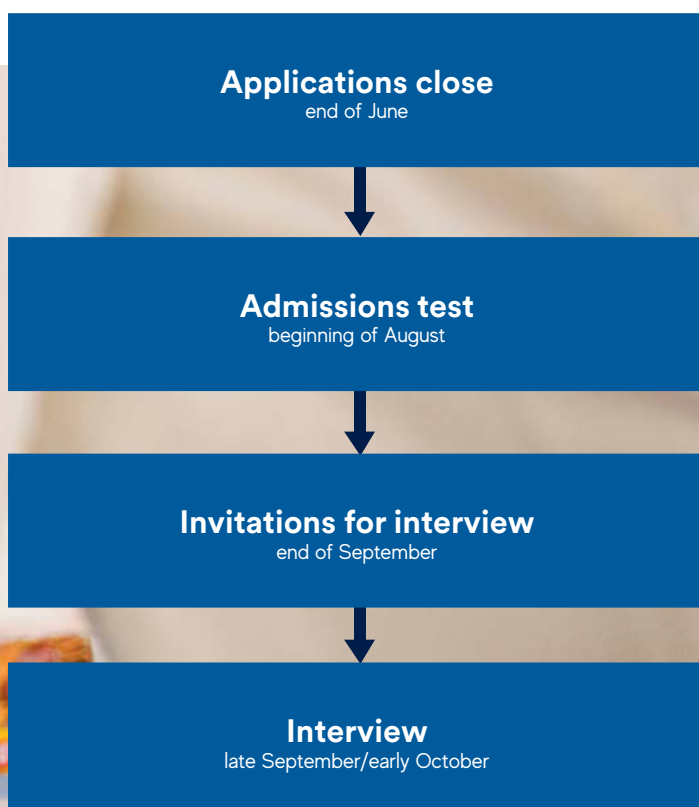

Progressing from your packaged degree to medicine, dentistry or oral health

To follow your dream of studying a Bachelor of Health and Medical Studies, Bachelor of Dental Surgery or Bachelor of Oral Health, there are additional requirements needed so you can progress from the College to the University of Adelaide.

These steps will give you an understanding of what's involved:

Step 1   Complete biology, chemistry or maths as prerequisite subjects. Our Student Services team can help you select your Foundation Studies prerequisite subjects.

Step 2   Achieve the progression score for your preferred degree – again we can confirm this with you.

Step 3   Achieve the English proficiency score. IELTS is the preferred testing system and a minimum score of 7.0 overall, all bands 7.0 is required.

Step 4   Register for the University Clinical Aptitude Test (UCAT ANZ).

Step 5   Submit an online application to the University of Adelaide.

Step 6   Sit the University Clinical Aptitude Test (UCAT ANZ).

Step 7   Learn of your interview eligibility. This is based on your UCAT ANZ performance. During September you will receive an email from the University of Adelaide with important information and next steps.

Step 8   Sit your 20-minute interview. Our Student Services team will coach and prepare you for this. Interviews are usually scheduled for late September to October.

Step 9   Time for offers. If you are successful, offers will be sent by the University of Adelaide between October and February.

Areas of study at the University

Bachelor of Health and Medical Sciences

Bachelor of Dental Surgery

Bachelor of Medical Studies/Doctor of Medicine

Bachelor of Nursing

Bachelor of Occupational Therapy (Honours)

Bachelor of Oral Health

Bachelor of Physiotherapy (Honours)

Bachelor of Psychological Science
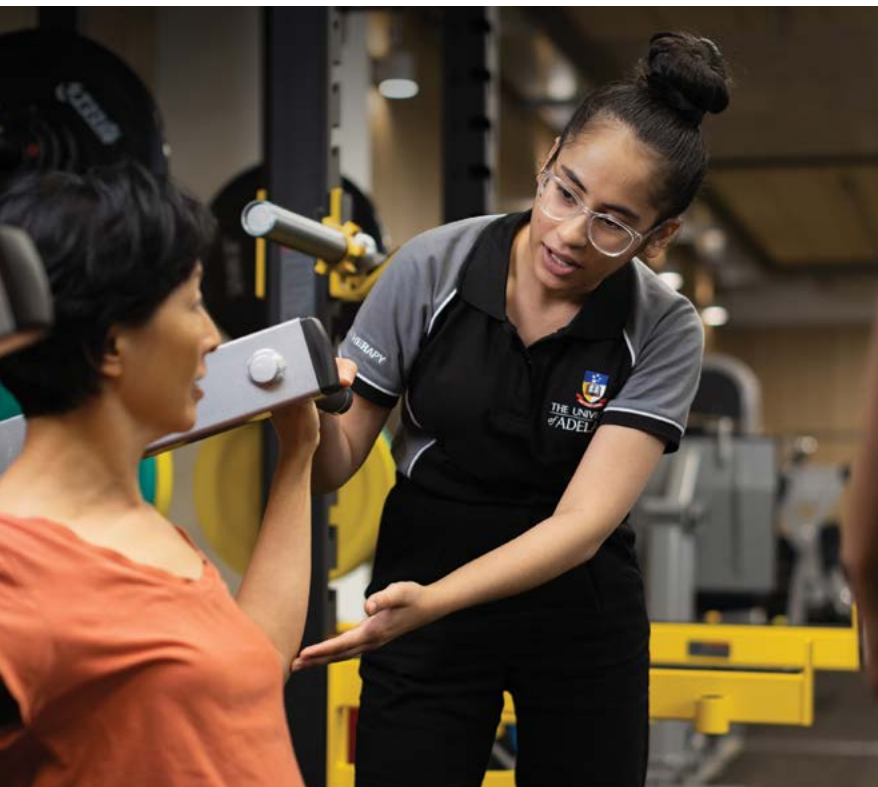

Bachelor of Speech Pathology (Honours)

Follow your path to nursing

Nursing is exciting and challenging. It's a rewarding career that may see you work in operating theatres, emergency wards, and lots of other health care environments, all over the world. To progress to a Bachelor of Nursing at the University of Adelaide you will need to achieve the required progression score and achieve an IELTS minimum score of 7.0 overall, and at least 7.0 in all bands. The College provides support specific to nursing applicants to assist you in preparing for your IELTS. Just ask our Student Services team for more information.

Follow your path to allied health

Studying a discipline of allied health will provide you with more than a career, it's an opportunity for you to have a profound positive impact on the lives of others. The School of Allied Health Science and Practice at the University of Adelaide offers undergraduate honours degrees in physiotherapy, speech pathology and occupational therapy. To progress from your Foundation Studies Program at the College to a Bachelor of Physiotherapy (Honours) or Bachelor of Occupational Therapy (Honours) at the University of Adelaide, you will need to study prerequisite subjects, achieve the required progression score for your preferred degree and achieve an IELTS minimum score of 7.0 overall, and at least 7.0 in all bands. A Bachelor of Speech Pathology (Honours) requires an IELTS of 8 in every band, 8 overall.

Note: Bachelor of Medical Studies/ Doctor of Medicine, Bachelor of Dental Surgery and Bachelor of Oral Health and also Bachelor of Nursing, Bachelor of Occupational Therapy, Bachelor of Physiotherapy, Bachelor of Speech Pathology are not able to be packaged with our Foundation Studies Program. You will be offered a package with Bachelor of Science (Biomedical Science) or Bachelor of Health and Medical Sciences. Our Student Services team will guide you through the application process and help you meet any additional entry requirements.

Pursue your passion for animal welfare

Veterinarians are dedicated to maintaining the wellbeing of animals. They are scientists, surgeons, carers, and lifelong learners. Our Bachelor of Science (Veterinary Bioscience) is ranked 51-70th[*] in the world for veterinary sciences and No 1 in Australia for learner engagement.[**]

To progress from your Foundation Studies Program at the College to a Bachelor of Science (Veterinary Bioscience) at the University, you will need to study prerequisite subjects and achieve the required progression score. As part of the application process, you will be required to complete and submit a prescribed questionnaire. Applicants will need to outline their experience with animals and upload supporting documentation for the information provided.

The School of Animal and Veterinary Sciences at the University will assess the questionnaire and determine if an applicant will progress to the interview stage of the admissions process.

Unique College support to prepare you

We've created an exclusive range of services to help you gain admission to the Bachelor of Science (Veterinary Bioscience). This includes:

• Initial information session

• Guided Roseworthy campus tour with Vet Science Admissions staff

• Q&A with alumni at Roseworthy campus

• Advice and guidance with preparation of written submission

• Mock interviews

• Continual individual counselling and advice for students

• Links to industry, community and volunteering opportunities to strengthen application.

Note: Entry to Bachelor of Science (Veterinary Bioscience) is not guaranteed by academic results, therefore the College cannot package an offer. Veterinary Science applicants will be offered the Bachelor of Animal Science and their preference for Bachelor of Science (Veterinary Bioscience) will be recorded so they are identified upon commencement of the course. Our Student Services team will guide you through the application process and help you meet any additional entry requirements.

Your Pathway Programs to the University of Adelaide

Degree Transfer Programs

Our specialised Degree Transfer Programs are equivalent to the first year of a bachelor's degree at the University of Adelaide. You can follow your path to a range of business, IT, computer science, science undergraduate degrees and more when you join the University in the second year.

Please visit our website
college.adelaide.edu.au/degree-transfer
for more information.

To successfully complete your Degree Transfer Program, you will need to achieve a 50% pass in eight academic courses, and complete and pass a full year of English. You will receive full credit for the first-year courses and progress to the second year of your packaged undergraduate degree at the University of Adelaide.

Our Degree Transfer Programs are suitable if you:

- Have completed the equivalent of Australian Year 12 or a Foundation Studies Program with us

- Missed out on direct entry to the University of Adelaide

- Want to study at the University of Adelaide.

Program benefits

- We offer a wide range of courses taught to the University's syllabus. You'll learn content relevant to your degree and receive full credit for all university-level courses.

- You'll be provided with English language and learning support to assist while you're studying the Degree Transfer Program.

- As our graduate, you won't be required to provide any further evidence of your English language proficiency.

- You'll have the flexibility of studying a Degree Transfer Program in one of three formats: extended, standard or accelerated.

At the University of Adelaide

The educational system in Australia is different to my home country. This program helped me familiarise with the Australian academic requirements. It was amazing that I had a lot of extra help from staff members at the University of Adelaide College. Studying at this College, we not only focused on academic studies, but also participated in different events. So, we could connect with each other and enjoy our lives."

Your Pathway Programs to the University of Adelaide

Pre-Master's Programs

The University of Adelaide College was the first education provider in Australia to offer a postgraduate pathway course to a Group of Eight university. We developed these specialised Pre-Master's Programs in close collaboration with the University of Adelaide, so you can follow your path to a range of master's degrees.

ℹ Please visit our website
**college.adelaide.edu.au/pre-masters**
for more information.

Our Pre-Master's Programs are suitable if you:

- Have completed a bachelor's degree or equivalent
- Missed out on direct entry to the University of Adelaide
- Want to study at the University of Adelaide.

Program benefits

- Upon successful completion of your Pre-Master's Program, you are guaranteed entry into your packaged postgraduate degree at the University of Adelaide.

- All credit-bearing courses are the University's syllabus, and once successfully completed, you will receive credit for these courses and enjoy guaranteed entry into your packaged master's degree.

- You'll have the flexibility of studying a Pre-Master's Program in one to three study periods. Students enrolled in the trimester-based master's destinations will study three University courses, while students enrolled in the semester-based master's destinations will study four University courses.

* Academic English B is not a credit-bearing University of Adelaide course.

For example, to progress to the Master of Accounting degree at the University of Adelaide:
• a student enrolled in Pre-Master's Program Accelerated will need to complete 5 courses in one study period;
• a student enrolled in Pre-Master's Program will need to complete 10 courses in two study periods, and
• a student enrolled in Pre-Master's Program Extended will need to complete 15 courses in three study periods.
This is dependent on the student's study pattern and destination degree.

Pre-Master's Program Extended | Three study periods
Pre-Master's Program | Two study periods
Pre-Master's Program Accelerated | One study period

Pre-bridging courses | Bridging courses | Credit-bearing courses

English Language Programs

Gain the skills and proficiency needed so you can speak, read, write and listen in English and excel in your chosen field. We are here to improve your skills in an English-speaking academic environment.

i Please visit our website
college.adelaide.edu.au/english-language
for more information.

Why us?

- We carefully assess your English before you commence your General Academic English and/or English for Academic Purposes course.
- Our courses were voted the best English program in Australia 2020 by the English Language Barometer (ELB).
- We are recognised through our English Australia membership.
- You will be taught by highly qualified and experienced English language teaching professionals who have helped design the courses.
- We offer a variety of assistance and counselling services for international students to help you achieve your goals.
- You will enjoy individual attention with our small class sizes, and you'll be assessed weekly to monitor your progress.
- We have a range of extracurricular activity programs for you to access with a variety of activities tailored to enhance after-class student experience.

Program benefits

- Your contact hours are generally 20 per week and class sizes are a maximum of 18.
- We aim to make learning fun! You will improve your language skills including speaking, writing, reading, listening, grammar and vocabulary while learning about Australia in an engaging way.
- You will cover essential academic skills such as group and team collaboration, critical and creative thinking, research and academic integrity and presentations, that will benefit your future studies.
- Upon successful completion you will be able to communicate with confidence and obtain the essential language skills necessary for academic study in Australia.

IELTS English for International Opportunity

(ETS) TOEFL.iBT

Pearson | PTE

"

I chose this program because I wanted to improve my English skills, in particular my writing, and learn how to prepare for University, for example, how to reference. Our teachers encouraged us to practise English in class through group discussions and presentations. My favourite thing was having interesting conversations. It was like chatting to friends in a relaxing and comfortable way.

Note: 2024 and 2025 dates shown were correct at the time of publishing. Please use these dates as a guide as they may change at the discretion of the University of Adelaide College and/or University of Adelaide. Please refer to college.adelaide.edu.au/admissions/academic-calendar/ for the most up-to-date information.
All orientations will be held one week prior to the program commencement date.

How to apply

Applying to the University of Adelaide College is simple and can be completed in a few steps.

Applications through agents and representatives

Eligible agents and representatives will be redirected to the Partner Portal of our Application System to submit your application. All of our registered agents and representatives will be registered as users of the Partner Portal. Agents can start, save and submit applications in the Partner Portal.

Document certification

All academic documents, professional qualifications and English translations of these documents MUST be original documents or certified as a true copy of the original.

Every page of the document must contain all of the following elements:

- An original stamp bearing the name of the person or organisation who verifies the document
- Words in English to the effect of "I certify that this is a true copy of the original"
- An original signature
- The date of certification

Agents who are representing the College have the authority to sight original documents and provide certified, electronic copies when submitting the application. Agent certification must comply with the certification requirements listed above.

The following people can certify documents lodged with student applications:

- An official agent or representative of the College when representing the applicant
- An authorised staff member of the College or Kaplan
- A Justice of the Peace
- A Notary Public
- A Consular Official
- A Commissioner for taking Affidavits
- The registrar of the institution that the transcript or parchment is from
- A police officer
- An examining authority

Direct applications

You can apply directly via the Applicant Portal of our Application System. You will be asked to register in the Applicant Portal. You can then commence your application for a program and save your application at any point before submitting.

If you have an application saved or submitted in the Applicant Portal, you can login to do the following:

- Retrieve, edit and submit an application
- Upload documents
- Accept and pay for an Offer of Admission

Applicant Portal for direct applications

Partner Portal for applications through agents and representatives
partner.studylink.com

Applicants under the age of 18

If you will be under the age of 18 when you commence your studies at the College, you must meet special conditions, as specified by the Department of Home Affairs, to be eligible to be granted a student visa. You may live with an eligible relative as defined by the Department of Home Affairs, or enter into a Guardianship Arrangement with the College.

Receiving your offer

Offer of Admission

We will send an email to you (or your agent) with an Offer of Admission if you are successful. The information in your Offer of Admission and acceptance is important, please read it carefully.

Please note the following information for your packaged offer:

- Program names
- Duration of programs
- Commencement dates
- Tuition fees
- Acceptance and payment deadlines
- Conditions – if you have a conditional offer, the conditions are clearly outlined in your offer of admission. Conditions may include providing proof of English Language Proficiency, completion of academic qualifications, or provision of official documents (e.g. original or certified copies of your documents).

Find our Application Forms at college. adelaide.edu.au/ admissions/ how-to-apply/

Accepting your offer

How to accept your offer

See the acceptance process outlined below. Following this process and correctly completing the required forms will ensure the smooth and efficient processing of your acceptance and the issuing of your CoE (Confirmation of Enrolment).

You can accept a conditional offer by providing evidence of meeting all conditions together with your completed acceptance.

Step 1 — Offer of Admission

Accept your Offer of Admission in the Applicant Portal of our Application System. If you have a nominated agent or representative, please be in touch with them to finalise your acceptance, in conjunction with accepting in the Applicant Portal.

Ensure that your personal details in the Applicant Portal match your passport and upload into the Applicant Portal a copy of the personal ID page and signature page in your passport.

If you have a conditional offer, the conditions will be outlined in your Offer of Admission. Please fulfil all conditions listed on your Offer of Admissions (if any).

Step 2 — Fees

Payment can be made in the Applicant Portal of the Application System via the College's preferred online payment provider, Flywire.

Please review the College's Refund Policy at **college.adelaide.edu.au/about/ policies-and-forms/**

Step 3 — Visas

Contact your nearest Australian Embassy, Consulate or High Commission or the Department of Home Affairs office about the process to apply for your Australian Student Visa.

Step 4 — Personal details

Make sure your personal details are up to date in your Applicant Portal in the College Application System (e.g. a copy of the personal ID page and signature page in your passport) so that your CoE can be correctly issued.

Step 5 — Confirmation of enrolment

Your CoE will be emailed to you or to your nominated agent or representative after the College has received acceptance of your Offer of Admissions via the Applicant Portal and all relevant fees paid.

Step 6 — Apply for visa

Once you have received your CoE you will be able to lodge your student visa. To do this, you or your College agent or representative will need to create an ImmiAccount at **immi.homeaffairs.gov.au/help-support/applying-online-or-on-paper/online**

Australian Embassy/ Consulate/High Commission:
dfat.gov.au/about-us/our-locations/missions/our-embassies-and-consulates-overseas
Department of Home Affairs: **homeaffairs.gov.au**
