Dear Student,

Congratulations and welcome to Bradford College at the University of Adelaide.

My position in Student Services at Bradford College means that we will be having a lot of contact in the future and any queries or concerns you may have can be directed towards myself, Birgit Cramer, by calling +618 8303 3430.

Your ease of transition into both Bradford College and Australia is among our top priorities and to help you get the most out of your stay please find some further information in this section regarding Adelaide, the accommodation available to you, the University of Adelaide, and much more.

As you will see, Adelaide is a wonderful city with so much to offer and Bradford College at the University of Adelaide, which is located in the centre of the city, takes full advantage of the top class resources and facilities available.

To help with arranging your accommodation and any other assistance you may require, please read through the information contained in this pre-arrival section of website. Please also complete the information sheet included and return it to the College office as soon as possible.

If you have organised for Bradford College airport pickup, you will receive all your first day information from the College's representative at the airport when you arrive in Adelaide. If not, please come to ground floor, 10 Pulteney Street, Adelaide at 9am on the first day of your course (the day your course starts).

Once again, congratulations and I look forward to speaking with you in the future.

Kind regards,

Birgit Cramer
