

BRADFORD
COLLEGE
The University of Adelaide

2013 PROSPECTUS
Your pathway to the University of Adelaide

Welcome

Bradford College is dedicated to providing our students with an education that thoroughly prepares them for success at university. The partnership between the University of Adelaide and Bradford College offers a special opportunity to study on campus and adjust to campus life before you begin your undergraduate studies.

Bradford College provides you with a learning environment where you are respected, guided and encouraged to reach your maximum potential and achieve your goal of entering the University of Adelaide well prepared to face the challenges of undergraduate life. Our highly professional and caring teachers support the students in their learning in an open and friendly environment. We look forward to welcoming you to the college.

Andrew Foley
Campus Director

The University of Adelaide is internationally recognised for its academic excellence in learning and research. This reputation underpins a unique student experience, rich in discovery that produces graduates with the core skills and attributes most sought by employers around the world.

We warmly welcome students from over 90 countries to our University each year creating a diverse campus community that is focused and hungry to learn and achieve.

In partnership with the University of Adelaide, Bradford College offers a range of study options designed specifically as pathways for students to enter our undergraduate programs. With the College based near the University's beautiful North Terrace campus, you could soon be following in the footsteps of many great alumni; from Nobel Prize winners to Antarctic explorers and heads of state.

I warmly encourage you to make the most of your Bradford experience as you prepare for entry into your chosen undergraduate program at the University of Adelaide.

Professor Warren Bebbington
Vice-Chancellor and President
The University of Adelaide

A prestigious pathway

WHY CHOOSE BRADFORD COLLEGE?

At Bradford College we provide students with a pathway to undergraduate studies at the University of Adelaide—one of Australia’s prestigious ‘Group of Eight’ universities.

The College is located in the heart of the city of Adelaide, South Australia and welcomes around 800 students each year from Australia and around the world.

On campus

Students at Bradford College are part of the University of Adelaide population; they often have the opportunity to study on campus, share the university resources and facilities, and like all other university students can make the most of the university experience with access to the student union, its clubs and societies.

University syllabus

Bradford College programs combine bridging and university materials and are designed with support from the University of Adelaide to prepare students for success at university. Students accepted into a Bradford College program may also receive an offer from the University of Adelaide to a corresponding bachelor degree course. Students may choose from a wide selection of degrees at the University, however progression from Bradford College into selected degree programs at the University of Adelaide can be highly competitive. Applications for entry into highly competitive degrees, particularly within Medicine, Dentistry, Veterinary Bioscience and other degrees with a fixed quota are assessed by the university on a case by case basis.

A choice of programs

Once students complete the Foundation Studies Program and meet the required academic grades determined by the University, they will receive a guaranteed place in the first year of their chosen undergraduate program* at the University of Adelaide.

Students who complete the Degree Transfer Program and meet the required academic grades determined by the University, will be guaranteed a place in the second year of their selected bachelor degree*.

Should a student need to improve their English proficiency before commencing their Foundation Studies or Degree Transfer program, they can complete an English language preparation program at Bradford College.

A supportive environment

Our experienced and highly qualified academic staff members facilitate individual student needs through an understanding that each student has unique aspirations for their future career. Our students study in small classes where we provide the necessary support and guidance each student needs. Our dedicated and caring Student Services team ensures each student is supported throughout their studies and is able to integrate into the Bradford College and Adelaide community.

A pathway to success

We provide students with a learning environment that is engaging, caring and academically challenging to prepare them for university life and beyond. Hundreds of Bradford College students have gone on to study the undergraduate degree of their choice at the University of Adelaide. The preparation and support offered by Bradford College has been crucial to their successful transition to the academically rigorous Australian university system.

Bradford College is an ideal choice for students who would like to:

- Achieve the necessary grades required to enter their chosen bachelor degree at the University of Adelaide in either Year 1 or 2
- Prepare for further tertiary education from Year 11 or equivalent
- Study in a supportive yet academically challenging environment
- Improve their English language skills for use in an academic environment

Scholarships

Scholarships are usually available to Bradford College students with excellent academic grades, both for entry to the College and on progression to the University. Ask your Bradford College representative for more information.

KAPLAN

Bradford College is an established pathway college within the Kaplan International division of Kaplan Inc.. Kaplan International provides English language programs, higher education, vocational education and financial training globally.

Kaplan is one of the world’s leading providers of lifelong education, helping over one million students achieve their personal educational and career goals each year, through programs of unrivaled quality and individually focused learning outcomes.

* Students may not be eligible to select programs with fixed quotas

“Bradford College provides the thorough preparation, guidance, support and encouragement needed to help students fulfill their academic potential.”

Andrew Foley – Campus Director

A tradition of excellence

THE UNIVERSITY OF ADELAIDE

The University of Adelaide at a glance

The University of Adelaide is one of Australia's leading, research-intensive universities and is consistently ranked among the top 1% of universities in the world.

Established in 1874, the University of Adelaide is Australia's third oldest university and an iconic Adelaide institution, contributing significantly to the health, wealth and well-being of the State and a vital part of the cultural, social and intellectual life of the community.

The University has a strong reputation for research and teaching excellence and producing graduates that make an impact on the world. The University has produced 106 Rhodes Scholars, including Australia's first Indigenous recipient, and 121 Fulbright Scholars with five Nobel Laureates among its alumni community.

The University of Adelaide is a comprehensive university, offering a broad range of undergraduate and postgraduate programs underpinned by world-class research and placing high priority on the student learning experience. There are more than 25,000 students with 30 per cent of them international students from more than 90 countries, all participating in a vibrant campus life. The annual Graduate Careers Australia survey places us in the top echelon of Australian universities for teacher quality, skills development and overall student satisfaction.

Students studying at the university enjoy access to:

- Modern lecture theatres
- State-of-the-art laboratories
- Worldwide database access and online teaching tools
- An outstanding library with over two million items
- High quality student support services and accessible accommodation

A Member of the 'Group of Eight'

The University of Adelaide is a member of the 'Group of Eight'—a coalition of Australia's leading universities.

Members of the Group of Eight are committed to excellence in teaching and research and are proud of their world-class achievements.

These universities:

- have nurtured every Nobel Prize winner educated at an Australian university
- are consistently the first choice of the majority of highest qualified Australian school leavers
- offer much better than average staff-to-student ratios
- focus on the learning-research nexus which leads to the development of advanced curricula and research-based learning that produce distinctive graduates
- produce graduates who take up senior positions in professional life, business and government in Australia and other countries

The members of the Group of Eight are:

- The University of Adelaide
- The Australian National University
- The University of Melbourne
- Monash University
- The University of New South Wales
- The University of Queensland
- The University of Sydney
- The University of Western Australia

The Group of Eight universities have credit transfer agreements which improve student mobility between these institutions.

Please visit www.go8.edu.au for further information.

An outstanding choice

PATHWAYS TO SUCCESS

Bradford College provides students with an academic pathway suited to their own individual needs and aspirations. The necessary guidance and support is given to ensure that each student is able to fulfil their future career goals.

We welcome both international and more recently domestic students, and whether students are close to home or further away they will find the Bradford team will be there to support them every step of the way.

We understand that international students might need extra language support or help adjusting to learning in Australia. Students can complete an English level test to assess how many weeks language study are required prior to their pathway program. Our standard or extended program options can offer additional time to adapt to tertiary study in Australia.

Dependent on the degree of choice and prior academic achievements we can advise on the best program, duration and intake for both domestic and international students.

Students may choose to enter at Foundation or Degree Transfer level with the option of completing additional language studies to provide students who feel they need extra support with the high-level English language skills required to understand and successfully complete programs at a tertiary level of study.

Students who successfully pass their Foundation or Degree Transfer program examinations first time will not be required to supply evidence of IELTS to satisfy university English requirements.

Providing students meet the necessary academic conditions and prerequisites they may progress on to either Year 1 or Year 2 of their chosen degree, depending on the pathway they choose.

Why choose a Bradford pathway?

- Our programs are stream-based and degree focused, so that upon successful completion students satisfy the entry requirements for their chosen degree. Staff can advise on degree focused program pathways and entry requirements
- Students benefit from studying the university curriculum within smaller classes, receiving the individual attention and additional support required to achieve their academic and career goals
- Bradford students are part of the University of Adelaide population. Students often have the opportunity to study on campus, have access to all university facilities and get a real taste of university life

Progression to Tertiary Studies

Students who receive marks lower than the threshold published are given assistance with gaining a place in an alternative but related undergraduate program. Our counsellors assist students with this process. Bradford College Foundation Studies graduates have also been accepted at a number of other universities in Australia.

“ I chose Bradford College because it provided me the most direct access to the University of Adelaide. My time at Bradford provided me with firm fundamental knowledge and practical skills through excellent teaching, high-quality tutorials and lectures, preparing me for my university studies. ”

Martin Qiu – From Foundation Studies to a Bachelor of Electrical and Electronic Engineering

Exceptional preparation

FOUNDATION STUDIES PROGRAM

The Foundation Studies Program prepares students for successful transition to degree-level study and provides a pathway to the first year of a bachelor degree at the University of Adelaide. Program standards including curriculum and assessment are maintained by the University to ensure the highest academic standards.

Students accepted onto the Foundation Studies Program (FSP) receive an offer of a place on their chosen bachelor degree program from the University of Adelaide. Students who would not qualify for direct entry are enrolled as University of Adelaide students with admission conditional upon meeting the necessary prerequisites*.

Students may change their selected bachelor degree provided any prerequisite subjects are covered. Our supportive staff will recommend subjects based on their long-term study goals. Lectures and tutorials, delivered by attentive teachers in a supportive learning environment, provide students with the academic grounding and confidence required to transition successfully to university. Student's progress may be assessed through participation, essays, presentations, assignments and regular tests to ensure students are thoroughly prepared to take on their next academic challenge.

Pathways to competitive degrees

Academic counselling is available to ensure students take the correct subjects for their chosen bachelor degree. The University of Adelaide Schools of Medicine and Dentistry have additional admissions criteria. Elder Conservatorium of Music and Veterinary Bioscience also have additional admissions criteria.

The University of Adelaide School of Nursing welcomes students from FSP without further language testing (quotas apply). In addition to the recommended prerequisite subjects, Bradford FSP students also study English for Academic Purposes.

Language Support

Students are required to complete an accepted English language proficiency test or the Bradford placement assessment prior to the program to assess their level of English. This will allow us to recommend a study pathway, with a suitable duration and direction. For students who feel they might need to improve their level of English more information on our General Academic English program can be found on page 19.

Students who pass their Foundation Studies Program subjects on the first attempt will meet the English language entry requirement and will not need to submit an IELTS certificate to the University of Adelaide.

* Students may not be eligible to select programs with fixed quotas.

Program Overview

Students must study 5 subjects over 2 semesters. The required subjects will depend upon the bachelor degree program students wish to study at the University of Adelaide. Please refer to page 14 for further information and subject recommendations.

	Standard (FSP)	Standard (FSP)	Accelerated (FSPX)
Program length	40 weeks	40 weeks	34 weeks
Intake dates	11 Feb 2013 (Standard)	29 Jul 2013 (Standard)	21 Oct 2013 (Accelerated)
Contact hours	20 hours per week	20 hours per week	25 hours per week
Compulsory subjects	Critical Thinking English for Academic Purposes		
Other available subjects	<ul style="list-style-type: none"> • Accounting • Economics • Computing and Information Systems • Design Studies** • Maths Studies • Specialist Maths • Maths Methods • Biology • Chemistry • Physics 		

Students must also complete 20-25 hours of independent learning scheduled into a negotiated study plan.

** Subject available in the February intake only.

Our Foundation Studies program is an ideal...

- pathway to the University of Adelaide for those who do not meet University entry requirements
- program for students who have completed year 11 or equivalent
- program for both international and domestic students
- method of preparing for life at university and a successful future

“The Foundation Studies Program has helped me develop my critical thinking and essay writing skills which have helped me a lot at university. My teachers were very patient and helped me identify the issues and think out solutions by myself. The ability of identifying and solving problems is very important at university. I hope to do my PhD in Psychology.”

Sherry Li – From Foundation Studies to a Bachelor of Psychology (Honours)

FOUNDATION STUDIES CURRICULUM

Some bachelor programs have prerequisite Foundation Studies subjects which must be studied and passed prior to progressing to the chosen bachelor degree at the University of Adelaide. Students must study 5 subjects over 2 semesters and complete the program to the required standard to progress. Bradford College counsellors may provide guidance if required.

* Other selection criteria or quotas may apply.

Some elective subjects may not be offered in every intake and are subject to demand. Students must consult the University of Adelaide 2014 Undergraduate prospectus for the full list and exact required pre-requisite subjects for their preferred degree.

An outstanding opportunity

DEGREE TRANSFER PROGRAM

Successful completion of the Degree Transfer program leads to a place in the second year of selected bachelor programs at the University of Adelaide. Students can choose a Degree Transfer program according to their individual needs, academic advancement and unique career aspirations.

Students who successfully complete their Degree Transfer program and meet the required academic grades determined by the University will secure a place in the second year of their selected undergraduate program at the University of Adelaide. The Degree Transfer program is a combination of bridging material and first year course material from the University of Adelaide degree program with students sitting the same exams as the first year University students.

The curriculum table on page 18 shows the subjects included as part of the University study plan for each stream. The English component within Semester 1 and 2 is offered by Bradford College and its stream focused for students who require English language support. Electives which are skills focused and aim to assist students with developing their academic writing, speaking, listening and reading skills, in addition to increasing confidence in tutorials and note taking are also available.

Pathways to competitive degrees

The Degree Transfer (DT) Health Sciences pathway also provides students with the option to apply for entry into the first year of the Bachelor of Nursing degree upon completion of the DT program. Please ask your Bradford representative for further information.

Language Support

For students who feel they might need to improve their level of English more information on our General Academic English program can be found on page 19.

Students who pass their Degree Transfer subjects on the first attempt will meet the English language entry requirement and will not need to submit an IELTS certificate to the University of Adelaide.

Credit Transfer – Students can only apply for credit for subjects considered equivalent in content and standard to the subjects offered in the Bridging Semester of the Degree Transfer program.

Our Degree Transfer program is an ideal...

- pathway to the University of Adelaide for students who wish to begin their tertiary studies with additional support and guidance
- alternative to the first year of university
- program for students who will benefit from small classes, additional contact hours and individual attention
- program for both international and domestic students

Program Options

Our Degree Transfer options include an extended three-semester program plus, an accelerated and a standard two-semester direct entry option. The accelerated and standard options are designed to provide students with a pathway to suit their academic ability and the varying levels of knowledge, confidence and experience. Please turn to page 18 to find out what subjects are included as part of the Degree Transfer program.

Degree Transfer Extended (DTE)

DTE offers students a 15-week bridging semester followed by two semesters comprising of the first-year curriculum of a bachelor degree program at the University of Adelaide. This program allows students to settle in to their new learning environment while preparing them for tertiary learning.

Degree Transfer Standard (DTS)

DTS offers students with sufficient English and academic qualifications to waive the bridging semester included as part of DTE. Students on the DTS program study the first year university of Adelaide curriculum with the guidance and support of Bradford College.

Degree Transfer Accelerated (DTX)

DTX is an accelerated program within the Commerce stream allowing students to gain entry into the second year of their selected bachelor program at the University of Adelaide in July.

Subjects may vary depending upon time of intake and bachelor degree choice. The Degree Transfer (DT) Health Sciences pathway also provides students with the option to apply for entry into first year of the Bachelor of Nursing degree upon completion of the DT program. Please note the Bachelor of Nursing has an IELTS entry requirement of 7.0 and students must also sit an interview as part of the entry selection process. See www.bradford.adelaide.edu.au/dt for more information regarding intakes and subject availability.

Language support

GENERAL ACADEMIC ENGLISH

“ I found the relaxed learning environment and small class sizes helped me improve quickly, I felt comfortable asking questions and giving opinions. The friendliness and openness of the teachers help me to achieve more than academic success ”

Vivien Lu

Our General Academic English (GAE) program is designed to provide international students with the high-level English language skills required to enter, participate confidently in and successfully complete their chosen tertiary program.

Designed and taught by highly qualified and experienced TESOL professionals and accredited by the National ELT Accreditation Scheme (NEAS), our GAE program offers more than effective communication skills. Emphasis is placed on improving students' language skills in speaking, listening, reading and writing through a variety of interesting topics related to study in Australia. Acculturation into an English speaking academic environment at a tertiary level is also important for international students and a phase that is vital for ongoing success.

Students learn in small classes and are assessed weekly to monitor progress.

End of program exams, classroom participation and use of English, are used to determine our students' readiness to enter their chosen academic program.

We recommend students complete our free placement test to assess their level of English prior to commencing their course. This will allow us to recommend a study pathway, with a suitable duration and direction.

Intakes	Contact hours	Class size
Correspond with chosen FSP or DT program entry	20 hours per week	Average 15

All applications will be assessed on an individual basis. IELTS or equivalent score on an alternative English test is required.

Program Overview

Students are required to complete the recommended program duration according to their current English level

English level	Recommended GAE Duration		
	FSP/DTE	DTS	DTX
IELTS 4.5 overall (two bands of 4.0 and one band of 4.5) or equivalent	30 weeks	Not available	Not available
IELTS 4.5 overall (three bands of 4.5 or higher) or equivalent	25 weeks	Not available	Not available
IELTS 5.0 overall (no more than one band of 4.0) or equivalent	20 weeks	Not available	Not available
IELTS 5.0 overall (no more than two bands of 4.5) or equivalent	15 weeks	Not available	Not available

A positive experience

OUR STUDENTS

Bradford College is...

- Where students will find the support they need
- Where ambition grows into a reality
- Where students achieve their goals

“*Bradford helped me adapt to university life and put me on the right track to achieving my career goals.*”

Dianah Almaz

We recognise that each and every student has their own academic and career goals and therefore different needs and expectations. Bradford College offers a range of academic pathways to suit.

We pride ourselves on delivering a supportive learning experience from beginning to end and ensuring that each and every student feels that studying at Bradford College was the right choice. We asked some of our students to tell us about their Bradford experience, why they chose Bradford College and how it has helped them achieve their goals so far.

A positive experience

PATHWAYS TO SUCCESS

Vivien Lu

I chose to study at Bradford College as a pathway to the University of Adelaide degree in Architecture. The Foundation Studies Program allowed me to study a variety of interesting subjects in a relaxed environment; it also helped me adjust to studying in Australia.

I have always wanted to do a building design course and Bradford College staff provided the support, advice, focus and friendship I needed to help me achieve academic success. The teachers and lecturers at Bradford have close relationships with university staff giving you confidence in what you are learning.

Being close to University you get to know more about uni life, I enjoyed having the opportunity to use university facilities. Having successfully graduated from the University of Adelaide I am currently gaining experience as a draftsman in an architectural firm. I would like to complete Masters in Architectural Studies in a few years time. I would recommend Bradford College to others!

Mike Vo

I enjoyed all of the classes that I took and all of the activities that I was invited and encouraged to join. I knew my teachers by name and considered them my great friends and mentors. From each of them, I have learnt a lot. With its small size classes, Bradford has created an environment where it feels like a large family on top of being an amazing college.

I want to personally thank my Accounting teacher, for his kind comment in the very first weeks I was in Bradford. He said that I had potential in that subject and, as a matter of fact, those words have been the main source of motivation for me to seek a career as an auditor in the future.

I want to hold an auditing professional designation like ACCA or CPA and become an auditor. I also plan to get CFA designation and that once I reach a certain level in my career as an auditor, I will explore my potential as a fund manager.

Dianah Almaz

I felt confident that Bradford College was right for me when I met the college representative at an education fair in Kuala Lumpur. The teachers and staff were friendly and helpful even after class.

Bradford helped me adapt to university life and put me on the right track to achieving my career goals.

Imaa Rahman

Bradford College has a very good reputation for its quality of teaching and the pathway options to the University of Adelaide. I love that the teachers and staff in Bradford are helpful and approachable and the subjects taught are interesting.

Studying in Bradford College helps us to adapt to the lifestyle of university even before we enter. Adapting to university life is one of the most important aspects to achieving our career goals. The teachers at Bradford are still there for you when you leave, to help you in whatever way they can. I am now studying Bachelor of Psychological Science at the University of Adelaide and intend to continue to Masters and hopefully to get a PhD in Psychology.

A supportive environment

OUR CAMPUS AND FACILITIES

Located in the city centre, our campus is moments from the University of Adelaide campus and close to Rundle Mall, the main shopping precinct and the heart of entertainment in Adelaide.

Bradford College is a modern and spacious building providing students with dedicated classrooms, study areas, computer suites, a student kitchen and common room. The student common room is exclusively for student use, providing a great place to meet with friends, eat and relax. The common room includes a piano, foosball table, student kitchen, vending machine and couches.

Some lectures and classes are conducted on the main university campus while others are held on site at the College. All Bradford students are enrolled as part of the University of Adelaide, and have access to the University resources and facilities, including the library, student intranet, email and wireless facility plus the students union, its clubs and societies.

Our combination of quality facilities and services, friendly learning environment and supportive staff, provides our students the opportunity to fulfil their potential and go on to achieve their goals at university.

Learning Support

On campus learning support sessions are available to students who require individual academic or English language assistance and feedback. Sessions may be booked with program tutors directly.

Student Services

Our Student Services team often welcomes students upon their arrival in Adelaide, they also organise activities and social events and are able to offer accommodation and transportation advice to students.

Our orientation program is compulsory for all students new to the college and provides them with essential information regarding their enrolment, pathway options, study skills, college and recreational facilities, as well as their responsibilities as a student, living and working locally.

Academic performance is monitored closely to assist students with any problems or questions they might have with regards to study

skills and workload management. Students may also seek advice on career pathways, study options and university applications.

The happiness and well-being of all our students is important during their time at the College. Students may meet with our Student Services team at any time to discuss any problems or concerns that may arise. The College closely supervises all under 18 year-old students with regular meetings and reports back to parents.

University Facilities

The University Campus is less than 5 minutes away on foot and Bradford students are able to take advantage of the excellent educational and recreational facilities including...

Refreshments, Food and Socialising

- Uni Bar
- Hub Central

Amenities

- University bookshop
- Image and copy centre
- Post office
- Bank ATM

Academic

- Computer suites and wireless network
- The Barr Smith Library

The Barr Smith Library is the main library of the University of Adelaide, located at the centre of the North Terrace campus. Bradford students have access to the library, its resources, systems and support services which include the University Librarian, research librarians, information literacy programs and of course – the membership and lending services. The library physically holds (print and microform) in excess of 2 million items which support the research strengths of the University and the electronic holdings include access to an estimated 25 million journal articles, covering more than 20,000 e-journal titles.

Find out more or take a tour online at www.adelaide.edu.au

Your home

ACCOMMODATION OPTIONS

Student accommodation is affordable and widely available in and around the city with easy access to public transport. We provide a range of accommodation options, which can be booked once a student has accepted their offer and enrolled. Our accommodation manager is able to provide students with placement assistance and ongoing support and advice during their stay.

Homestay

Homestay offers a uniquely Australian experience, whereby students live with a local family. This option is ideal for students who may wish to develop their English language skills. Students are provided with a single room with bed, desk and cupboard and have access to laundry facilities. Choose from a full board option (3 meals per day) or part board where students have access to the kitchen facilities and must buy and prepare their own meals.

Student Hostels

Our hostels offer independence within a student environment. They usually include a fully furnished bed/study room and access to shared kitchens and bathrooms.

University Accommodation

Accommodation is also available to students at the University of Adelaide Village. Students are required to commit to one full year in advance and can choose from either shared townhouse or apartment accommodation. Applications can be made online via www.adelaide.edu.au

Under 18

Students that are under 18 years of age must live in accommodation approved by Bradford College. This usually means homestay, an approved student hostel e.g. Bradford Lodge or with a blood relative over the age of 21.

For more information please visit www.bradford.adelaide.edu.au

Please note students are responsible for additional costs such as telephone calls, personal toiletries and will need to budget for extras including entertainment.

Living Expenses

As a guide, it is estimated living costs for students living away from home may be from AUD 18,600 per year. It is important that our students are able to make the most of their studies and have a safe and enjoyable experience. For further information visit www.studyadelaide.com or www.studyinaustralia.gov.au

Adelaide

OUR CITY

“Adelaide is full of friendly people, the city is peaceful and surrounded by beautiful scenery.”

Dianah Almaz

Adelaide is the capital of South Australia, has a population of around 1.2 million, is currently ranked in the top five of the world’s most liveable cities and is one of Australia’s most affordable locations to live.

With a mild climate, a year round calendar of events, lots of outdoor activities, a relaxed and cosmopolitan lifestyle and a continued tradition of academic and educational excellence Adelaide is the perfect place to study.

The city centre is compact, easy to travel and bordered on one side with the breathtaking Adelaide Hills and some 22km of picturesque white sandy beaches on the other.

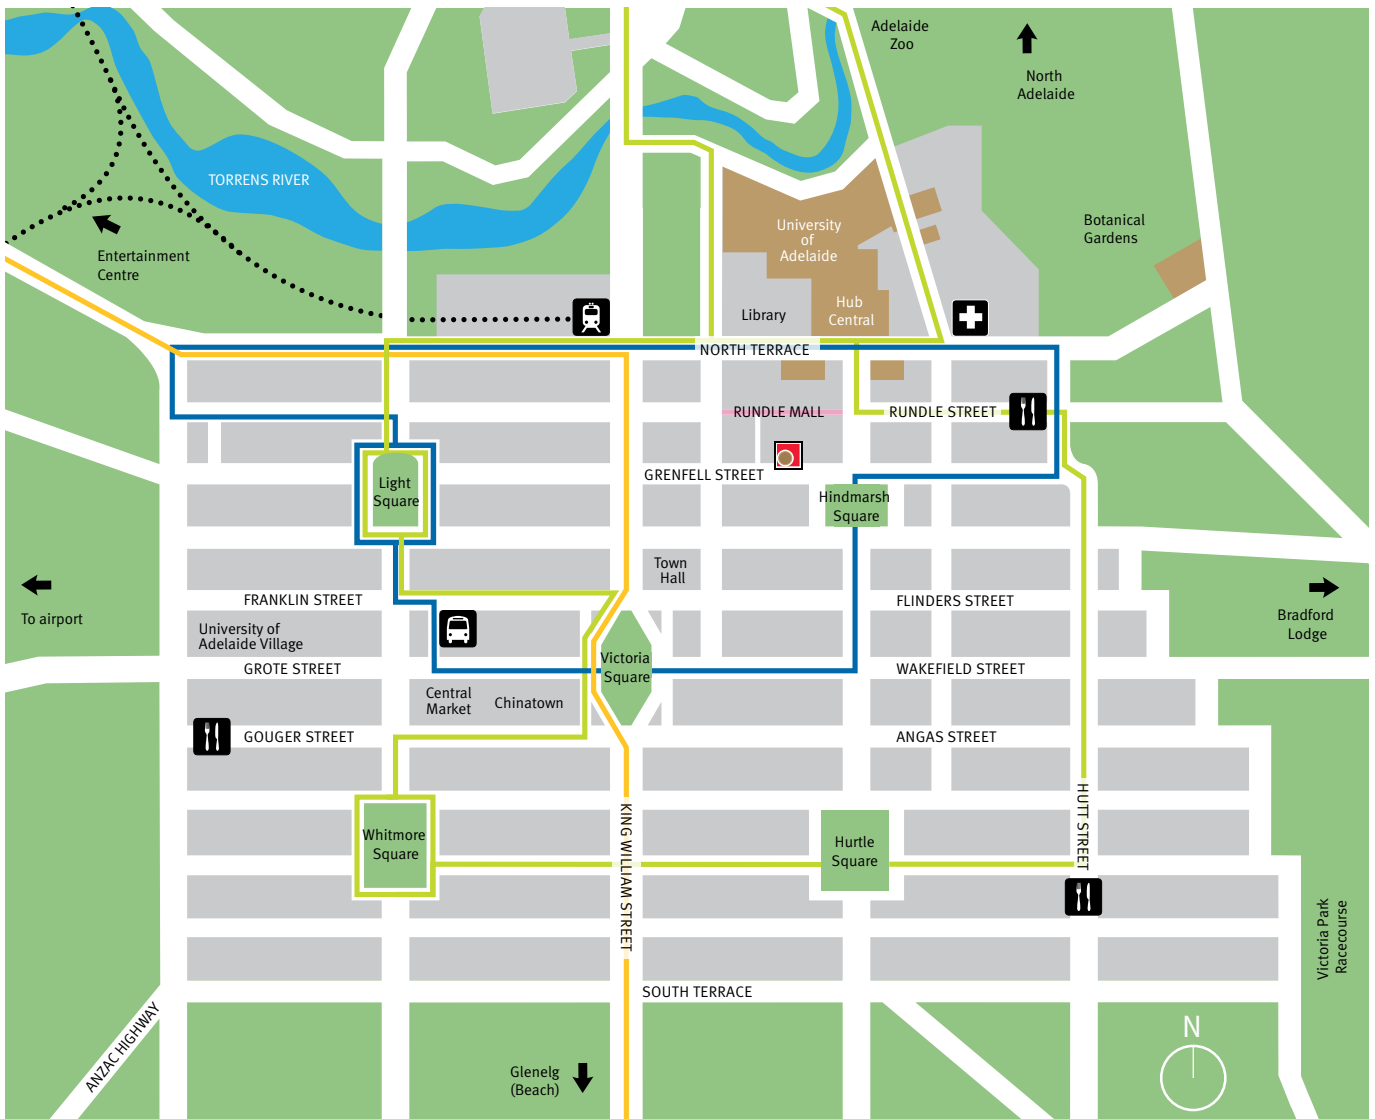

Central Adelaide is perfect for exploring on foot or by bike, but a range of public transport options are also available which are easily accessible, discounted for students and in some cases free. The City Loop and Adelaide Connector buses link all major central sights and amenities and are free of charge. Students can travel for free between South Terrace and the Entertainment Centre for example. These routes are shown on the map opposite along with some of the major attractions, best places to shop, eat and drink.

For more information visit www.cityofadelaide.com.au

“Students see our city as a means to a rewarding career path and a fulfilling life”

Things to see and do...

The culturally vibrant Adelaide, capital of 'The Festival State' regularly hosts free events and activities to unite the community. In addition to an array of arts festivals, and many international sporting events, locals embrace culture, food, fine wine, shopping, music, travel and fashion.

There are some great pubs, cafés and restaurants in the city and surrounding suburbs. One of the highlights is the bustling, colourful and aromatic Central Market which attracts shoppers with its huge range of fresh food and its internationally diverse culinary offerings and eateries—Adelaide Chinatown is located on Moonta Street within the Markets.

What's on...

- Adelaide Fringe (Arts)
- WOMADelaide (Music)
- Cheesefest (Food)
- Adelaide Fashion Festival
- Clipsal 500 Adelaide (V8 Supercars)
- Santos Tour Down Under (Sports)
- Adelaide Cup Raceday (Sports)
- Australian University Games
- Australia Day and Christmas parades...

Did you know?

- The city has produced over 140 Rhodes Scholars and five Nobel Laureates

- Adelaide is considered an educational hub—home to around 30,000 international students
- Adelaide Fringe takes over the city with over 900 arts events staged over 24 summers days and nights
- You can see the only giant pandas in the southern hemisphere at the Adelaide Zoo
- Cheesefest hosted in the picturesque Rymill Park is Australia's biggest cheese festival
- Adelaide is the 5th largest city in Australia and considered the most sustainable
- The '20 minute city' is only 7km from the airport and less than half an hour to the Adelaide Hills and major beaches

How to apply

- Fill out the application form (also available at www.bradford.adelaide.edu.au/apply)
- Provide certified copies of:
 - Academic qualifications (school reports)
 - English proficiency document
 - Passport
 - Birth certificate (Domestic students only)
- Send your completed application form and certified documents by post or email to Bradford College at the address below or to one of our local representatives
- We will review your application form and supporting documents. If you are accepted, you will receive a 'Letter of Offer'
- Sign and return the written acceptance of your offer to the Bradford College Admissions Office together with evidence of payment for the amount specified in the Letter of Offer (Payment options listed in Letter of Offer)

Account Name: Bradford College
 Bank: HSBC Bank Australia Limited
 28 Bridge Street,
 Sydney, NSW 2000
 BSB: 342 011
 Account Number: 461456 163
 SWIFT Code: HKBAU2S

- You will then receive an electronic Confirmation of Enrolment
- International students may then apply for a student visa to study in Australia

Admissions Office Bradford College

TERMS & CONDITIONS

1. GENERAL TERMS & CONDITIONS

Applicable to all students studying at Bradford College (Bradford). Any variation in these Terms and Conditions set out in this document may only be made by written agreement with Bradford.

1.1. Rules: All Bradford students are subject to the policies of Bradford as published on the website and in the Bradford Student Handbook. For full details, including the Code of Conduct, Deferral, Cancellation and Suspension of Enrolment and Grievance Policies, please refer to our website: www.bradford.adelaide.edu.au

1.2. Late Arrivals, Vacations & Absences: No refund is given for time missed due to late arrivals, vacations, absences or public holidays. Periods of absence will not be replaced by a free extension of any course. No refunds or substitutions will be made for classes missed due to exams, excursions, first day orientation or other obligations that fall outside the normal schedule. Classes are not held, and many campus facilities are closed, on public holidays. All published course dates start on a Monday, but if the Monday is a public holiday, the course start will fall on the Tuesday. Students may be given permission for late arrival up to 2 weeks from course commencement date included in "Letter of Offer".

1.3. Campus facilities: Students are advised that campus facilities may not be available during study breaks. Details are available from Student Services Team/Reception.

1.4. Placement: Bradford reserves the right to place a student into the most appropriate class, and to postpone subjects to the following semester where there is insufficient number of students for that subject.

1.5. Course changes: Bradford has the right to change course dates, course curricula, tutors and programs at any time at its discretion. However, in cases where the course is rescheduled prior to the start of the first course and the new date is unacceptable to the student, all unused tuition fees will be refunded.

1.6. Tuition fees: The student or student's family agrees to pay the annual tuition fee and any additional charges in accordance with the fee schedule available on our website www.bradford.adelaide.edu.au. Any refund is made in accordance with the Bradford refund policy. Tuition fees include lessons, orientation meeting, use of computer room and internet quota, placement and progress testing and a Bradford certificate upon successful completion of the course. Bradford reserves the right to withhold the granting of a certificate attained by a student if tuition fees or any other fees remain outstanding. All fees are published on our website www.bradford.adelaide.edu.au and tuition fees can be found in the 2013 Fee Schedules.

1.7. Late payment: A fee of AUD100 applies on unpaid accounts 30 days after the date the payment was due.

1.8. Books and learning materials: Students may be required to purchase textbooks, workbooks, stationery, software and other required learning materials at an additional cost.

1.9. Additional services: Any additional services (travel, telephone costs, excursions, medical costs, special diet, non-Bradford exams and enrolment amendments) are not included in any fees unless specifically stated on a valid invoice. Students who wish to arrange homestay accommodation and/or airport transfer please refer to http://www.bradford.adelaide.edu.au/accommodation_homestay.html

1.10. Privacy: Information collected by Bradford, which personally identifies a student and information regarding a student's course progress may be shared with the Australian State and Federal governments, designated authorities, the Tuition Protection Scheme, the agent that recruited the student (unless specifically excluded), the students' parents (if under 18), Bradford staff, University of Adelaide and related body corporates of Bradford. This information may include personal and contact details, course enrolment details, changes and results, and circumstances of any suspected breach by the student of any visa condition. Bradford's Privacy Policy complies with the Privacy Act when dealing with personal information. For further information please contact the Privacy Officer at privacykaplan@kaplan.edu.au

1.11. Medical Costs: Bradford is hereby authorised to seek medical treatment should Bradford or a staff member acting on behalf of Bradford consider such action necessary for a student. The student agrees to indemnify Bradford for any expense, loss, damage or liability of whatsoever nature occasioned as a result of authorising and arranging such emergency medical treatment.

2. UNIVERSITY OF ADELAIDE FEES

2.1. University of Adelaide course fees will depend on your choice of undergraduate degree course and point of entry. Further information is available on the University of Adelaide website: www.adelaide.edu.au

3. DEFERRAL POLICY

3.1. A student may apply to defer their studies on the grounds of exceptional circumstances such as their own ill health or that of a very close relative. All applications for deferral from a course of study must be made in writing or using the Deferral Form available from Bradford. Students should refer to our website for details of circumstances in which their enrolment may be deferred, suspended or cancelled prior to submitting their application. The deferral policy can be accessed at www.bradford.adelaide.edu.au/policies.html. An administration fee of AUD 250 is required for processing a deferral application.

4. REFUND POLICY

4.1. Bradford's refund policy is available at www.bradford.adelaide.edu.au/policies.html

All students must read the refund policy prior to accepting an offer of admission from Bradford. Students requesting a refund are required to do so in writing. Refunds, where applicable, will be made only to the bank details specified in the refund form. (The refund form will be available from reception desk). All refund requests will be responded to in writing, and approved refunds will be paid within 14 days of written notification.

4.2. In all cases, enrolment fee, medical insurance/health cover (to date), accommodation placement fee (if the accommodation has already been arranged), courier and any other service fees are non-refundable. Tuition fees are not transferable to other students.

4.3. Where a student visa application is rejected, all tuition fees paid will be refunded in full, less an administration fee of AUD240, once proof of refusal has been shown.

If a student visa holder withdraws from the course, the cancellation fee, which depends upon the notification period, is as follows (for the purposes of the Refund Policy only, a course is defined as one semester of study, or for English programs, 24 weeks of study):

Full tuition fee refunds are payable if:

- Bradford is unable to provide the academic course offered
- The offer of enrolment is withdrawn for reasons other than incorrect or incomplete information supplied by the student at time of enrolment
- An Australian visa application is refused, or
- Approval of an Australian student visa is delayed beyond the student's control.

Partial tuition fee refunds are payable in the following manner:

- 90% of the tuition fee is refundable when the offer of enrolment is withdrawn because of incorrect or incomplete information supplied by the student at the time of enrolment
- 80% of the tuition fee is refundable when the student decides not to enrol at least 4 weeks prior to the commencement of the course
- 50% of the tuition fee is refundable when the student decides not to enrol less than 4 weeks prior to the commencement of the course.

No tuition fee refund is payable if:

- Bradford receives cancellation after the commencement date of the student's course
- The student withdraws after commencing the course

In this case the student is liable to pay the full tuition

fee of the first semester and any expenses, costs or disbursements incurred in recovering the tuition fee

- These Terms and Conditions are breached by the student, or
- The student's enrolment is cancelled by Bradford.

If Bradford has to cancel an international student's enrolment due to a serious breach of student visa conditions or serious misconduct, no refund of course fees will apply.

In the unlikely event that Bradford is unable to deliver a course in full, students will be offered a refund of all unspent prepaid tuition fees. The refund will be paid within 14 days of the day on which the course ceased being provided. Alternatively, students may be offered enrolment in an alternative course by Bradford at no extra cost. Students have the right to choose whether they would prefer a full refund of course fees or to accept a place in another course. If they choose placement in another course, Bradford will require that they sign a document to indicate acceptance of the placement.

In the unlikely event that Bradford is unable to provide a refund or place a student in an alternative course, the Tuition Protection Service will assist a student in finding an alternative course or to get a refund if a suitable alternative is not found.

4.4. Students who terminate their course may not be eligible to receive a certificate for a partially completed course.

5. INTERNATIONAL STUDENTS

5.1. Visa information: It is the responsibility of the student to arrange all applicable travel permits or visas and to have a valid passport and leave to remain for the whole period of study. The student may be asked to make payment for the first study period prior to the issuing of any of the visa documentation. Visa application forms (Confirmation of Enrolment) may not be issued by Bradford until payment for the first study period has been received and the enrolment agreement has been signed and returned. The enrolment agreement includes reference to the pre-arrival information and grievance procedures information and can be found on our website www.bradford.adelaide.edu.au

5.2. Student Visa: Student visa holders are required to provide Bradford with a current residential address and telephone number at all times, maintain satisfactory academic progress and attend a minimum of 80% of their course. Students who fail to show up for their enrolment or with less than 80% attendance or unsatisfactory academic progress will be reported to the Department of Immigration and Citizenship (DIAC). Any school-aged dependents accompanying overseas students to Australia will be required to pay full fees if they are enrolled in either a government or non-government school.

5.3. Medical insurance: Medical insurance is compulsory for the duration of your stay regardless of your course length or course/visa type. You are required to show proof of medical insurance at the time of enrolment. You will not receive Confirmation of Enrolment until you have obtained satisfactory medical insurance for the length of your visa. The Australian government requires all students on student visas to join the Overseas Student Health Cover (OSHC) scheme, a health insurance plan for overseas students in Australia. Students must ensure that payment is made for compulsory OSHC before their visa is issued and that the insurance provides adequate coverage for the duration of the student's visa.

5.4. Codes of practice: Bradford has agreed to observe and be bound by the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students (the National Code) and the Educational Services for Overseas Students Act 2000 (ESOS Act).

For more information about the National Code please see <https://aei.gov.au/Regulatory-Information/Education-Services-for-Overseas-Students-ESOS-Legislative-Framework/ESOS-Act/Pages/default.aspx>

5.5. Living Expenses: Migration regulations in Australia require international students to show evidence that

they can contribute to the cost of living and studying in Australia. For more information please refer to www.studyinaustralia.gov.au/en/Study-Costs or www.immi.gov.au

6. CONSUMER PROTECTION

6.1. Agreement to these Terms and Conditions, and the availability of complaints and appeals processes, does not remove the right of the student to take action under Australia's consumer protection laws, or their right to pursue other legal remedies under Australian law.

6.2. Students will be advised of any changes to these Terms and Conditions that may result from a directive of the Governing Body of Bradford or government legislation, at the time of application. Any dispute, claim or other matter arising will be subject to the laws of South Australia.

7. DECLARATION

Upon submitting an application to Bradford, the student:

- 7.1. Declares that the information provided in their application form is true and complete in every detail.
- 7.2. Understands that giving false or incomplete information may lead to the refusal of their application or cancellation of enrolment.
- 7.3. Has read and understood the published information in the Bradford brochure and on the Bradford website and has sufficient information about Bradford to enrol.
- 7.4. Authorises Bradford to retain their photo image for identification purposes.
- 7.5. Authorises Bradford to provide University of Adelaide, or any other educational institutions to which the student is seeking admission, any required relevant official records. The student also gives Bradford permission to obtain official records from any educational institution the student has attended and from University of Adelaide once their studies at Bradford have finished.
- 7.6. For international students, the student understands that Bradford will collect information during their enrolment in order to meet its obligations under the ESOS Act and the National Code, to ensure the student complies with the conditions of their visa and the student's obligations under Australian immigration laws. The authority to collect information is contained in the ESOS Act, ESOS Regulations and the National Code. The international student authorises Bradford to provide information including personal and contact details, course enrolment details, and the circumstances of any suspected breach of their student visa conditions to the Australian Government, the Tuition Protection Service (if relevant) and any other designated authorities. The student also understands that this information can be disclosed without their consent where Bradford is authorised to or required to by law.
- 7.7. Understands that information collected during their enrolment may be stored on a server controlled by a third party whether in Australia or otherwise.
- 7.8. Accepts liability for payment of all fees as explained in the Bradford brochure and on the Bradford website, and agrees to abide by the Bradford Refund Policy. The student also understands that fees may rise. For international students, the student has also read the section relating to living expenses and they understand that the cost of living in Australia may be higher than in their own country, and the student confirms that they can meet those costs.
- 7.9. Agrees to notify Bradford of their change of address within 7 days of moving.

Further information

For more information about college programs or application procedures, contact Bradford College or a registered representative.

Scholarships

Scholarships are usually available to Bradford College students with excellent academic grades; both for entry to the college and on progression to the University. Ask your Bradford College representative for more information.
