1.0 Purpose

This policy is for current students, those persons seeking to enrol in courses of study and parents or legal guardians of students or prospective students under 18 years of age. The aim of the policy is to inform students and prospective students of the process for making and resolving non-academic complaints.

2.0 Scope and responsibilities

The University of Adelaide College is committed to resolving any complaint or grievance promptly, equitably and in a professional manner that respects the privacy of all parties involved.

This grievance policy is for non-academic complaints from:

- current University of Adelaide College students
- persons seeking to enrol in a course of study at the University of Adelaide College
- parents or legal guardians of students or prospective students under 18 years of age.

Complaints are accepted regardless of:

- whether the complainant is currently residing in Australia or overseas
- the location of the campus students are attending or applying to attend
- the mode in which they study.

All complaints by students, parents or prospective students are dealt with free of charge. The complainant (i.e. student, parent or prospective student) and respondent (i.e. staff member concerned) will not be victimised or discriminated against in any manner and all details of the complaint and subsequent investigation will remain strictly confidential.

The complainant is entitled to ask for assistance in the form of a translator/ interpreter at any time during the process. The complainant and respondent may bring one person (such as a friend, family member, counsellor or other professional support person) to represent or support them to any meetings arranged at any stage of the process.

Students will continue to attend their classes as usual whilst the College and the student are attempting to resolve the issue. The only circumstances in which a student would not continue attending classes is if their health or safety is potentially at risk or if they pose a health or safety risk to other students or staff members.

All parties may have recourse to a third party mediator at the informal or formal appeals stage. The College's dispute resolution processes do not prevent a person's right to pursue other legal remedies.

Note: The Deputy Director (Corporate Services), will handle all formal complaints from College students. The College Director will respond to all appeals. Any staff member involved can respond to an informal complaint—please see list of staff members under “Informal Resolution” for further information.

3.0 Informal resolution

In the first instance, students, prospective students or parents are encouraged to reach an informal resolution by approaching the staff member concerned to discuss the issue at hand.

For non-academic complaints, this would usually be directed to one of the following staff members:

- Manager Student Services (DT)—Level 3, 132 Grenfell Street
- Student Services Coordinator (FSP)— Level 3, 132 Grenfell Street
- Manager Student Services (Administration & Accommodation)— Level 3, 132 Grenfell Street

4.0 Lodging a complaint

If a student, parent or prospective student cannot resolve the issue informally and they wish to lodge a formal complaint, they should:

- provide their name, contact details (must not be anonymous) and details of the complaint in writing to the Deputy Director (Corporate Services), at The University of Adelaide College, Level 2, 132 Grenfell Street, Adelaide, 5000. They should also detail the steps that have been taken so far.
- make the complaint themselves, as complaints on behalf of someone else (hearsay) will not be accepted. If the student or prospective student is under 18 years of age then a parent or guardian can lodge a complaint with the student or prospective student's consent.
- understand that it is a serious procedure and it will be investigated.
- understand that it is a formal complaint as opposed to comments, feedback or suggestion.
- be aware that the staff member concerned will be informed that a complaint has been made against them or in relation to a decision they have made.

The Deputy Director (Corporate Services), will acknowledge receipt in writing within 5 days.

The acknowledgement will:

- provide their contact details
- outline the complaints process and advise that a decision will be made within 14 business days of receiving the complaint in writing
- identify any foreseeable delays

5.0 Investigation

Investigation stage by the University of Adelaide College—the Deputy Director (Corporate Services) will:

- request a formal meeting with the student, parent or prospective student, for prospective students this meeting can be conducted over the telephone.
- record minutes of any meetings as a formal record. A record will also be made in the database.
- contact the respondent to gather information on why the decision was made. Arrange a separate meeting with the respondent, if necessary.
- hear the student, parent or prospective student's complaint without prejudice giving the student ample opportunity to air grievance.
- listen to the respondent's response to the complaint without prejudice.
- advise both the complainant and the respondent in writing of the outcome of the investigation within 14 business days, outlining the reasons for the decision being made and the actions taken.
- advise the complainant in writing that the decision may be appealed if they are unsatisfied with the investigation process or outcome. Appeals should be lodged in writing to the College Director of The University of Adelaide College, who is located on Level 2, 132 Grenfell Street, Adelaide, 5000.

6.0 Formal resolution

After consultation the resolution could be one of the following:

- provide more information on the background to the decision or situation to the student, parent or prospective student, i.e. explain rules
- remedy a mistake
- revoke a decision
- change a policy or procedure
- recompense student, parent or prospective student by way of offering a refund, changed class, waive a debt—whichever is appropriate
- retrain/discipline staff member

If the resolution finds in favour of the College the reasons may be:

- lack of data or evidence
- insufficient grounds for a formal complaint in the view of College management
- resolution is not practical
- complaint is without substance
- student wishes to withdraw complaint as not serious—more a comment

7.0 Appeal procedures

In case of an appeal the College Director will acknowledge the appeal in writing to both parties within 5 business days and will conduct an independent investigation that is fair and impartial which may include:

- contacting the student, parent or prospective student to arrange a meeting in person or over the telephone
- contacting the respondent to gather information or arrange a separate meeting with the respondent, if necessary.

Once a decision has been made, the College Director who will:

- notify the complainant and respondent in writing, within 30 days, of the appeal outcome outlining reasons for the decision being made and any action(s) taken by the College.

- at the end of the mediation session, the College and the complainant will sign an *agreement* consenting to the outcomes of the mediation.

The Deputy Director (Corporate Services) will ensure that any recommendations stated in the agreement are implemented within 14 business days. The complainant and respondent will be notified in writing of any action(s) taken by the College as a result of the mediation.
