Some elective subjects may not be offered in every intake and are subject to demand. Students must consult the University of Adelaide's Degree Finder, www.adelaide.edu.au/degree-finder for the full list and exact pre-requisite subjects for their preferred degree. Note: There are some double degree options available. Advanced bachelor degrees are available in some disciplines dependent upon meeting the required progressive score from the University of Adelaide College.

 See college.adelaide.edu.au/foundation-studies for more information regarding intakes and subject availability.
