I chose the University of Adelaide to study and was excited to discover the college offered the first group of eight university. After successful completion of the Pre-Master’s Program (PMP), you’re guaranteed entry into the postgraduate degree of your choice at the University of Adelaide.

WHAT DOES A PRE-MASTER’S PROGRAM INVOLVE?

The Pre-Master’s Program is taught over two semesters or trimesters. In the first Bridging semester/trimester, you’ll develop your study and research skills, and English academic language in writing, reading, listening and speaking. By the second Pre-Master’s semester or trimester, you’ll begin studying university subjects that are part of your chosen master’s program. On successful completion of the Pre-Master’s Program, you’ll receive credit for these subjects and jump straight into the second semester or trimester of your degree.
