Introduction

This document details the requirements to pass the Bridging semester of the Degree Transfer Extended program to allow students to progress to the subsequent Degree Transfer Standard program.

Criteria

<u>Business Stream</u> Commerce/ Finance/ Economics	Pass 4 courses Or Pass 3 courses with the 4th ≥ 45% & 5th ≥ 40%
<u>Engineering Stream</u> Engineering/ Computer Science	Pass 4 courses Or Pass 3 courses with the 4th ≥ 45% & 5th ≥ 40% Students who fail either Engineering or Core Maths may be required to transfer to the business stream in consultation with the teacher in charge and academic manager
<u>Science Stream</u> Science/ Health and Medical Sciences	Pass 4 courses Or Pass 3 courses with the 4th ≥ 45% & 5th ≥ 40% Students who fail Chemistry may be required to transfer to the business stream or repeat DTB in consultation with the teacher in charge and academic manager.

Further criteria applicable to all streams:

1. Students are required to at least have an overall pass (average score ≥ 50%)

Where the above criteria has not been met:

- Course teacher input may be considered in determining the readiness of a student for undergraduate studies
- Consideration will be given to the importance of the failed courses to the student's subsequent studies when making pass/fail/transfer decisions

Information regarding the number of attempts of Degree Transfer Bridging

- Students are permitted a maximum of two attempts at the Degree Transfer Bridging program
- Withdrawals after Week 6 (week 5 of class) will be considered as one attempt
